APPLIANCE
REBATE
PROGRAM

\$100
REFRIGERATOR & FREEZER
REBATE

ENERGY STAR® labeled refrigerators and stand-alone deep freezers (10-30 cubic feet) can qualify for a \$100 rebate* from Frontier Power, as long as the old appliance is disposed of and the new appliance is installed at a location served by the cooperative.

Frontier Power is offering rebates to cooperative members who replace their existing refrigerators or stand-alone freezers with a new ENERGY STAR®-listed appliance. This appliance rebate is only available to members of the cooperative. Members must purchase new ENERGY STAR®-labeled appliance between July 1, 2018 and June 1, 2019. The existing appliance must be removed/recycled.

SPECIFIC REQUIREMENTS: Member is required to provide documentation, such as purchase receipt, showing that the new appliance was installed in a home served by the cooperative. Member must also include proof of ENERGY STAR® listing, such as a copy of the yellow Energy Guide label or owner's manual (must include ENERGY STAR® logo or statement of ENERGY STAR®-certification). Signed statement indicating new refrigerator or freezer is at primary residence being served by Frontier Power is required.

All rebates are issued as a credit to the electric account. Rebates may not exceed the purchase price and items must have been purchased in the current program year. If you pay less for your refrigerator or deep freezer than the rebate amount, you will receive the amount you paid. A maximum of two rebates per appliance type (two refrigerators and two freezers), totaling \$400, may be paid per residential member home during the current program year from July 1, 2018 through June 1, 2019.

Frontier Power reserves the right to inspect the installation of any product qualifying for this rebate.

To apply for rebate contact: **Frontier Power**
770 South 2nd Street
Coshocton, OH 43812
740-622-6755 • 800-624-8050
