

Appliance Rebates

For Cooperative Members

\$100

REFRIGERATOR & FREEZER REBATE

ENERGY STAR®-certified refrigerators and stand-alone freezers (10-30 cubic feet) can qualify for a \$100 rebate* from Frontier Power when purchased and installed at a full time location served by the cooperative.

\$150

AIR CONDITIONER REBATE

ENERGY STAR®-certified air conditioning units (a maximum of two) with a minimum 16 SEER rating and a cap of six tons can qualify for up to a \$150 rebate per unit from Frontier Power when purchased and installed at a full time location served by the cooperative.

FRONTIER POWER is offering rebates to residential cooperative members who replace their existing refrigerators, stand-alone freezers, or central air conditioning units with a new ENERGY STAR®-certified product. This rebate is available only to residential members. Members must purchase and install a new ENERGY STAR®-certified product between July 1, 2021 and June 30, 2022.

SPECIFIC REQUIREMENTS:

Members are required to provide documentation, such as a purchase receipt, showing that the product was purchased and installed in a full-time home served by the cooperative. Members must also include proof of ENERGY STAR® certification, such as a copy of the yellow Energy Guide label of owner's manual (must include ENERGY STAR® logo or statement of ENERGY STAR® certification).

All rebates are issued in the form of a credit to the member's electric account. A maximum of two rebates per appliance type (two refrigerators, two freezers, or two air conditioning units), totaling \$700, may be paid per residential member home during the current program year from July 1, 2021 through June 30, 2022.
