HEAT PUMP WATER HEATER
REBATE

FRONTIER POWER is offering rebates to cooperative members who install a new water heater. This rebate is only available to members. The water heater must be installed between July 1, 2023 and June 30, 2024 to qualify for incentives.

SPECIFIC REQUIREMENTS: The water heater must be installed at a location receiving electric for a full time service from the cooperative, must be a minimum of 50 gallons, and must have a radio control switch installed. The water heater must be greater than 90 percent efficient, with an Energy Factor (EF) of 0.91 or higher, based on GAMA Efficiency Rating Directory. (Detailed requirements can be found on our website at www.frontier-power.com under the "REBATES" section.)

Heat pump water heater must be 55 gallons or less and *cannot* have a radio control switch installed.

Solar and on-demand water heaters do not qualify.

All rebates are issued in the form of a check to the member. A maximum of two water heater rebates may be paid per home or facility per program year.
